Structure Your Work

Repository Structure

```
/trunk/
    a11/
    ...
/branches/
/tags/
    a11/
    ...
```

little helping script svn_init.sh

Tagging Assignment Submissions

- each assignment has one tag
    - a11
    - a12
    - a13
    - a14
    - a15
    - a2

Tagging

in subversion tagging is a simple copy of a directory

Submission Tagging

```
$ svn copy https://svn.tugraz.at/svn/\
WSWT10_00312345/trunk/a11 https://svn.\
tugraz.at/svn/WSWT10_00312345/tags/a11\
 -m ''abgabe a11''
or:
$ ./svn_tag_submission.sh <MATR_NR> <tag>
```

Checkout

we will checkout your work as follows:

Subversion Checkout

```
$ svn co https://svn.tugraz.at/svn/\
WSWT10_00312345/tags/a11 ./
```

Deadlines
